A yellow excavator arm is shown from a low angle, reaching upwards towards a large, white, fluffy cloud. The sky is a deep blue, and the cloud is very large and textured, filling much of the upper half of the frame. The excavator arm is yellow with black joints and a black hydraulic cylinder. The word "HYDRO" is visible on the side of the arm. The overall scene suggests a sense of reaching for something high or distant.

A photograph of the interior of a truck cab. The driver's seat is visible on the left, featuring a patterned fabric. A book is lying flat on a white surface in the center. To the right, there is a large white plastic bag. The upper part of the image shows the overhead storage compartment and a mesh basket hanging from it. The window on the left has dark curtains.
